

THE ULTIMATE MODULAR DISPLAY SYSTEM

WANDLITE

SHOWCASE

You will see in this brochure that the T3 range of products is the most versatile and useful available today. Applications from flooring to lightboxes, hanging signs to point of sale, display cases to illuminated walls and plinths to shelving are quickly and easily achieved. Tubes can be cut to any length, curves to any diameter, angles to any degree, add in any RAL, BS or custom colours and the choice is truly limitless.
